Case Name or Matter: U.S. Environmental Protection Agency v. The Prentice-Hall Corporation System, Inc.

Case # or Matter #: re: Himco Dump Site, County Road 10 and Nappanee Street Ext.
CSC Transmittal #: 1764673

Dear Sir / Madam:

Legal process has been received in the above entitled action which indicates that you are the attorney of record.

As agent we provide services to attorney and corporate clients. One such service is to act as resident (statutory) agent. The agent has no involvement in the business operations of their clients.

Process was received in the above named action which names the agent as a defendant. It is possible that you are attempting to reach an entity for whom we provide agent services. If that is the case, the document should have been directed to that company in c/o the statutory agent. Please call the Secretary of State, or other appropriate state agency, for clarification.

We would appreciate your prompt action in removing us as a defendant from the above matter.

Very truly yours,

Jennifer L. Oliver
